

INTRODUCING

MUNICH DUNKEL

We are pleased to introduce the latest Brew House Seasonal Release!

Just in time for the fall season, the Brew House introduces this mouth-watering classic German lager! This beer is smooth, rich and complex - without being heady or heavy. It boasts hues of brilliant copper to ruby, with rich and complex flavour of Munich malt, reminiscent of bread crusts. Flavour notes include mild caramel, chocolate, toast and nuttiness, with hop bitterness that is moderately low but perceptible.
