WINE OF THE MONTH

EN PRIMEUR WINERY SERIES SOUTH AFRICA SAUVIGNON BLANC

ABOUT THIS WINE

Aromas of apple, lemon, and kiwi on the nose and hints of lemon and herbaceous flavours on the palate. Expect a zesty finish to this elegant wine.

FAST FACT

South Africa was said to be producing some of the finest wines in the world in the 1700s, though some years later phylloxera wiped out most of the vines, and in the 20th century Apartheid significantly set back wine production.

FOOD PAIRINGS

The saltiness of seafood dishes evens out the acidity of a glass of Sauvignon Blanc. Fish has a light texture that compliments the lightness of this white wine. Pair this wine with a lemon pepper Halibut over sauteed onions & spinach.
